

# Margaret Island Symposium 2023 on Particles & Plasmas

## Friday, 9 June 2023

### Plasmonics and fusion (08:50 - 10:10)

-Conveners: Antal Jakovac

time	[id] title	presenter
09:00	[31] The nuclear context of fusion	Prof. RAFELSKI, Johann
09:45	[21] The NAPLIFE project	BIRO, Tamas

### Plasmonics and fusion (10:30 - 12:30)

-Conveners: Constantino Tsallis

time	[id] title	presenter
10:30	[14] Theoretical advances in the NAPLIFE Project	Prof. CSERNAI, Laszlo
11:05	[22] High field plasmonics and some applications	KROÓ, Norbert
11:50	[8] Dynamical properties of nanorods embedded in fusion fuel with plasma simulation approach	PAPP, Istvan
