

# Wigner 121 Scientific Symposium

## Monday, 18 September 2023

### Particle Physics - Star auditorium (13:50 - 15:10)

-Conveners: Chair: Dezső Varga

time	[id] title	presenter
13:50	[8] Understanding the Quark-Gluon Plasma with ALICE at the LHC	VAN LEEUWEN, Marco
14:30	[9] Construction of a tracking detector for the future experimental exploration of particle interactions	VESZPRÉMI, Viktor
14:50	[10] Heavy-ion physics: present and future	BARNAFÖLDI, Gergely
