

Wigner 121 Scientific Symposium

Wednesday, 20 September 2023

Solid State Physics - Star auditorium (09:40 - 10:20)

-Conveners: Chair: Éva Kováts

time	[id] title	presenter
09:40	[28] Near-field infrared microscopy on carbon nanostructures	KAMARÁS, Katalin
10:00	[29] Novel approaches in material science and ab initio quantum chemistry via massively parallel tensor network state methods on Hybrid CPU-GPU based HPC architectures	LEGEZA, Órs
