

# SciComp23 Konferencia

## Tuesday, 7 November 2023

### 2. Szekció (Session 2) (10:55 - 12:10)

time	[id] title	presenter
10:55	[65] Real-World Opportunities of Large Language Models in Science Today: What's Behind the Hype	Dr SZABO, Miklos TAMÁSI, Árpád
11:10	[66] The quantum entanglement in the Semiclassical limit considering chaos	FÜLÖP, Agnes
11:25	[67] Non-local cascade failures and synchronization dynamics and stability improvement on power grids	ODOR, Geza
11:40	[69] Computational complexity of counting and sampling	MIKLÓS, István
11:55	[68] Exploring ultrafast materials science @ ELI-ALPS: insights into function-property-structure relationships.	UPADHYAY KAHALY, Mousumi
