The Future of Many-Core Computing in Science

GPUday2014

Wigner RCP of the HAS, Wigner Datacenter

**FUTURE OF
MANY – CORE COMPUTING
IN SCIENCE**

**MAY 29
2014**

Wigner DataCenter

- KFKI Campus is a high security place in double senses:
- i) Campus have a nuclear facility (Scientific reactor)
- ii) Campus have the WDC (incl. A little Switzerland)
- ISOTDAQ2014 has got the WDC's 2nd floor ONLY, access to other areas is forbidden!
- No pictures on the WDC's right wing (Computer Rooms)!
- Restrooms are limited men should
- Must use only non-UPS, WHITE 230V AC outlets.

WiFi & INTERNET

- WiFi SSIDs:
 - Wigner users: Wigner
 - Eduroam users: Eduroam
 - Others: FMCCS2014
- Passwds are by name:
Please, ask for username/passwd.

Wigner DataCenter's Rules

- Visitors can have access only to the 2nd floor meeting room, by the supervision of one of the organizers.
- NO access of the other parts of the building. (e.g the area beyond the ramp (left to the main gate) is restricted, and may only be accessed with permission and in the presence of datacentre staff.)
- The steel staircase above the second floor is restricted area, access is forbidden and dangerous!
- Any visitors violating these rules will be banned from the datacentre area.

**See FMCCS2014 web for info:
