

Session Program

4-5 May 2015

Qatar-Hungary Scientific cooperation

MTA Centre for Energy Research

KFKI XIX

Monday 4 May

13:00

MTA Centre for Energy Research

Session | Location: KFKI XIX

13:00–13:20 Greeting of the participants and general introduction**Speaker**

Dr Ákos Horváth

13:20–13:40 Hungarian Academy of Sciences**Speaker**

Mr Gergely Böhn

13:40–14:00 Research fields in alternative energy generation**Speaker**

Dr Szabina Török

14:00–14:20 Coffee break**14:20–14:40 The role of catalysis in chemical energy storage****Speaker**

Dr Jozsef Pap

14:40–15:00 Possible cooperation themes with Qatar Energy Research Institute**Speaker**

Dr Bálint Hartmann

15:00
